

Private Credit and Secondaries Conferences Sponsorship Opportunities 2027

24 February 2027 | Central London

Private Credit and Secondaries Conferences 2027

Explore the dynamic evolution of private credit and secondaries markets at UK Private Capital's two specialist half-day conferences.

The **Private Credit Conference** will bring together leading investors, lenders and industry experts to examine the latest market trends, investment opportunities and challenges shaping the future of private credit.

The **Secondaries Conference** will provide in-depth insights into the rapidly growing secondaries market, exploring how both LP-led and GP-led transactions are becoming an increasingly important tool for portfolio management, liquidity solutions and value creation.

Across both events, attendees will gain valuable market intelligence, hear from leading practitioners and connect with senior decision-makers driving the future of private capital.
