

International Investor Roadshow

Asia-Pacific

Singapore, Hong Kong & Tokyo, 23-26 November 2026

If you are planning to engage with LPs across Asia, UK Private Capital's International Investor Roadshow provides the perfect platform to make new connections outside regular fundraising.

Across one week, UK Private Capital will host a series of forums and receptions in Asia, across Singapore, Hong Kong, and Tokyo. Each city will host dedicated events featuring a range of formats, including half-day conferences, roundtable discussions, one-to-one meetings (where marketing regulations allow) and networking events. The events provide a platform for some of Europe's leading managers to connect with local institutional investors and family offices.

In partnership with the UK Department for Business, Innovation, Science and Trade (DBIST) and the British High Commission Singapore, the UK Private Capital will also host exclusive evening receptions.

Feedback from recent Roadshows

Venture Capital

"Brilliantly organised, superbly co-ordinated and this year, the engagement with LPs was really telling."

Mid-Market

"I've attended three UK Private Capital roadshows across Asia and the Middle East, and each one has been a valuable experience. The events bring together a strong mix of regional LPs ...I've come away from each roadshow with new relationships and a clearer read on the issues that matter most to investors."

Third-Party Fund Manager

"Congratulations on an excellent set of conferences. It was a really valuable learning experience for us, and the whole event was run so smoothly."

Venture Capital

"The trip was very useful and has resulted in a number of continuing conversations. The mix of arranged meetings and more casual interactions, both at the conference and the receptions, was effective."

Mid-Market

"Always grateful for these types of UK Private Capital events. We always get a good number of meetings, which do end up in follow-up."

Venture Capital

"A fantastic event, I've had follow-ups already with great contacts made."

Third-Party Fund Manager

"We will definitely participate again."
